

Dear NovaHarvest Trading Team,

Following our stock review dated March 18, 2025, our purchasing team is preparing for potential replenishment of several items. This message serves as a preliminary request for cooperation before any formal purchase orders are issued.

The items currently under consideration are as follows:

- **Crimson Spice Mix (Code C7712)** — proposed purchase quantity: **64 units**; target receipt date: **2025-08-05**
- **BlueLeaf Dried Herbs (Code H2289)** — proposed purchase quantity: **90 units**; target receipt date: **2025-08-22**
- **GoldenRoot Powder (Code G5501)** — proposed purchase quantity: **40 units**; target receipt date: **2025-09-02**

We also noted recent market discussions indicating a possible change in country of origin for GoldenRoot Powder. We would appreciate clarification on whether any sourcing or production changes have been implemented.

To support our planning, we kindly request your confirmation on the following points:

- Updated availability for all items listed
- Current lead times
- Any revised commercial terms or pricing
- Confirmation of origin and production details for GoldenRoot Powder
- Any upcoming changes that may impact our order planning

Thank you for your cooperation. We look forward to your response.

Best regards,

Company A Purchasing Team
